 - a. Motion to have LANCC write a letter to DONE and the City Clerk in support of allowing any Neighborhood Council that so chooses to use the 'Stipulations Worksheet' process, as developed and promulgated in previous Neighborhood Council Election Procedures, to opt out of the City Clerk-run elections in 2025 and use the selection process for its board members and officers.
 - b. Motion that for LANCC and the Neighborhood Councils request that, moving forward, BONC adopt an approach focused on proactively supporting the Neighborhood Councils including promulgating their mission as independent advocates for their communities through identifying best practices to be shared grassroots-style amongst the Neighborhood Councils. Furthermore, to the extent legally possible, BONC should strive to protect the independence and rights of Neighborhood Councils by encouraging self-regulation rather endorsing a series of rules that don't always apply to specific situations, can create roadblocks, and/or encourage infighting. Instead, every effort should be made to prioritize inclusivity and treating people fairly.
